Corrigan Vineyard

The Corrigan Vineyard, in Calistoga, is a story of vision and patience— a once-overlooked, rocky site transformed by belief in its hidden potential. Where others saw hardship, its stewards saw promise, inviting renowned winemaker and viticulturist Benoit Touquette to reimagine the land from the ground up, thoughtfully transitioning it from Merlot to Cabernet Sauvignon. Meticulously redesigned with refined row orientation, tailored rootstocks, and Clone 4 selections, the vineyard is rooted in precision and restraint.

Its rocky, low-vigor soils yield small, intensely expressive berries defined by mineral tension and structural finesse — a powerful testament to what time, intention, and unwavering commitment can reveal.

With this quintessentially Napa 2024 vintage, we are proud to unveil our newest artist label release featuring the bold work of Donald Sultan. Known for his striking, graphic compositions, Sultan transforms poppies, lemons, and mimosas into powerful contemporary icons through rich color and dramatic contrast. Our single-vineyard wines are once again presented in our custom-crafted Fait-Main bottles — a seamless union of artistry, texture, and craftsmanship.

Vintage Notes

Marked by a more classic growing pattern, Napa Valley's 2024 season combined ample early rainfall, a warm and steady summer, and a defining early October heat event that helped shape the vintage's character. Favorable spring conditions and healthy canopies supported even development across the vineyards, while warm days and cool nights preserved freshness and structure in the fruit. A slightly compressed harvest created stylistic nuance across sites. The resulting 2024 wines show classic Napa Valley depth and polish — open, opulent, and expressive — yet anchored by surprising tannic grip and balance, marking the vintage as both high-quality and distinctly traditional in style.

Tasting Notes

Our newly and exciting 2024 Fait-Main Corrigan Vineyard Cabernet Sauvignon offers a precise, site-driven expression defined by clarity and structure. Refined and graceful, the nose reveals bright cassis, black raspberry, red and blue berry fruits layered with sappy flowers, spice, and a classic cedar pencil note. Medium-bodied and finely structured, it centers on a focused core of fruit and refined tannins that bring lift and seamless drive across the palate. Polished and composed, it carries quiet intensity and a distinct sense of place, finishing long, clean, and energetic with lingering floral and spice tones.

Cabernet Sauvignon, Corrigan Vineyard

14.3 % ABV	75 % new French Oak
